Dear Residential Solid Waste Customer,

The Solid Waste Department has compiled the following information to assist you with Solid Waste procedures.

WEEKLY COLLECTION:

Please set your Herbie out **by 7:00 AM** on your scheduled day of service, with wheels against the curb or as close to the street as possible without obstructing the sidewalk. Please be advised, there is no set time for garbage collection regardless of service times provided in the past due to unforeseen circumstances that may occur. Place Herbie at least **5 Feet** away from all obstructions (car, tree, mailbox, etc.). **If the Herbie is not out before the refuse truck arrives or obstructed in any way**, it will be considered a missed pickup and upon your request, fees of \$9.15 will be applied to your account to return and empty your Herbie. **Also be advised, Herbies that are heavy, overloaded, or have large items in them such as construction material, dirt, branches, boards, furniture, etc. WILL NOT be emptied.** These items can be removed by requesting an Open Truck or Roll-off service, additional charges shall apply. **Note:** Herbies not serviced are logged by the driver and kept for reference.

Extra items beside or on top of your Herbie will not be collected. Residents with extra garbage have the following options: Upon your request, we can service your Herbie a second time on your pick-up day or another scheduled day for a special rate of \$9.15 per service. You may also request for a 2nd Herbie at a rate of \$8.82 additional per month, plus a one-time non-refundable setup fee of \$26.03. You may also dispose of extra refuse by hauling it to the Northwest NM Regional Solid Waste Transfer Station, located at 107 Hassler Valley Road. Their hours of operation are Monday thru Saturday 8 a.m. to 5 p.m. and can be reached at (505) 863-5776. Fees shall apply.

HERBIE MAINTENANCE:

The Herbie(s) assigned to you are the property of the City of Gallup and will be repaired or replaced due to normal wear and tear. If the Herbie is damaged by a negligent act, you will be responsible for the full cost of replacing it. The department does not change out Herbie's because they are dirty. It is your responsibility to keep the Herbie clean. We kindly ask that you bag your garbage which will keep the Herbie cleaner and will eliminate loose trash from falling out of the container or truck when in service, especially on windy days.
