

Call Message:

Please be advised that the NM State mandated moratorium for Disconnection of utility services ended on May 5, 2021. If you are past due on your Electric or Water account with the City of Gallup, please come into the Customer Service Department to pay your account; make arrangements to pay your account; or ask about assistance programs that may be available to you. If you have not followed through with any of the above, you may be subject to disconnection of services after July 5, 2021.
