RE: Lodger's Tax Advisory Committee

In 2020, Cindy Tanner notified the Tourism & Marketing Manager of her intention to step down from the Lodger's Tax Committee at that time. Cindy served the committee for many years, and was a great advocate for tourism, event promotion, and the opportunities for growth in Gallup. I would like to thank Cindy Tanner for her time and dedication when she served as a committee member.

Keeshaw Keyanna Candelaria of Flux NM Gallery, in downtown Gallup, has expressed interest in filling the vacancy on the committee; therefore, I would ask for your approval to appoint Mrs. Candelaria as a member of the Lodger's Tax Advisory Committee.

I appreciate Mrs. Candelaria's willingness and interest to serve as a member of the committee.

Thank you for your consideration of this request.
