Re: Special Event Permit

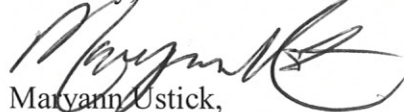

Dear Assistant Pastor Annichiarcio:

As you requested, I am sending you a letter indicating the reasons for the denial of your Special Event permit application for events in Bubany and Viro Parks. The reason these special event permits are being denied is: the location of the proposed special events would cause undue hardship to the adjacent businesses or residents. For your information I am attaching the city of Gallup Ordinance C2017-8 relating to the City of Gallup Special Event Permits. Please see Section 5-6-9 of the attached ordinance which references this basis for denial of these two special event permit applications.

The Special Event Permit application request for Father Dunston Park has been approved for Monday, August 22, 2022, from 6:30 PM to 9:00 PM. This special event permit is ready for pick-up in our City Clerk's Office after the \$10.00 fee is paid. However, the Scope of this Event permit at Father Dunstan Park states there will be two (2) BBQ Grills and cooking will be involved on the referenced date. There was no EID Food Handlers Permit attached to the permit application. Please provide a current copy at the time of payment.

We greatly appreciate your cooperation in this matter. Should you have any questions, please contact Ben Welch, Community Services Coordinator.

Sincerely,

  
Maryann Ustick,  
City Manager
