

Gallup LEAD referral stats

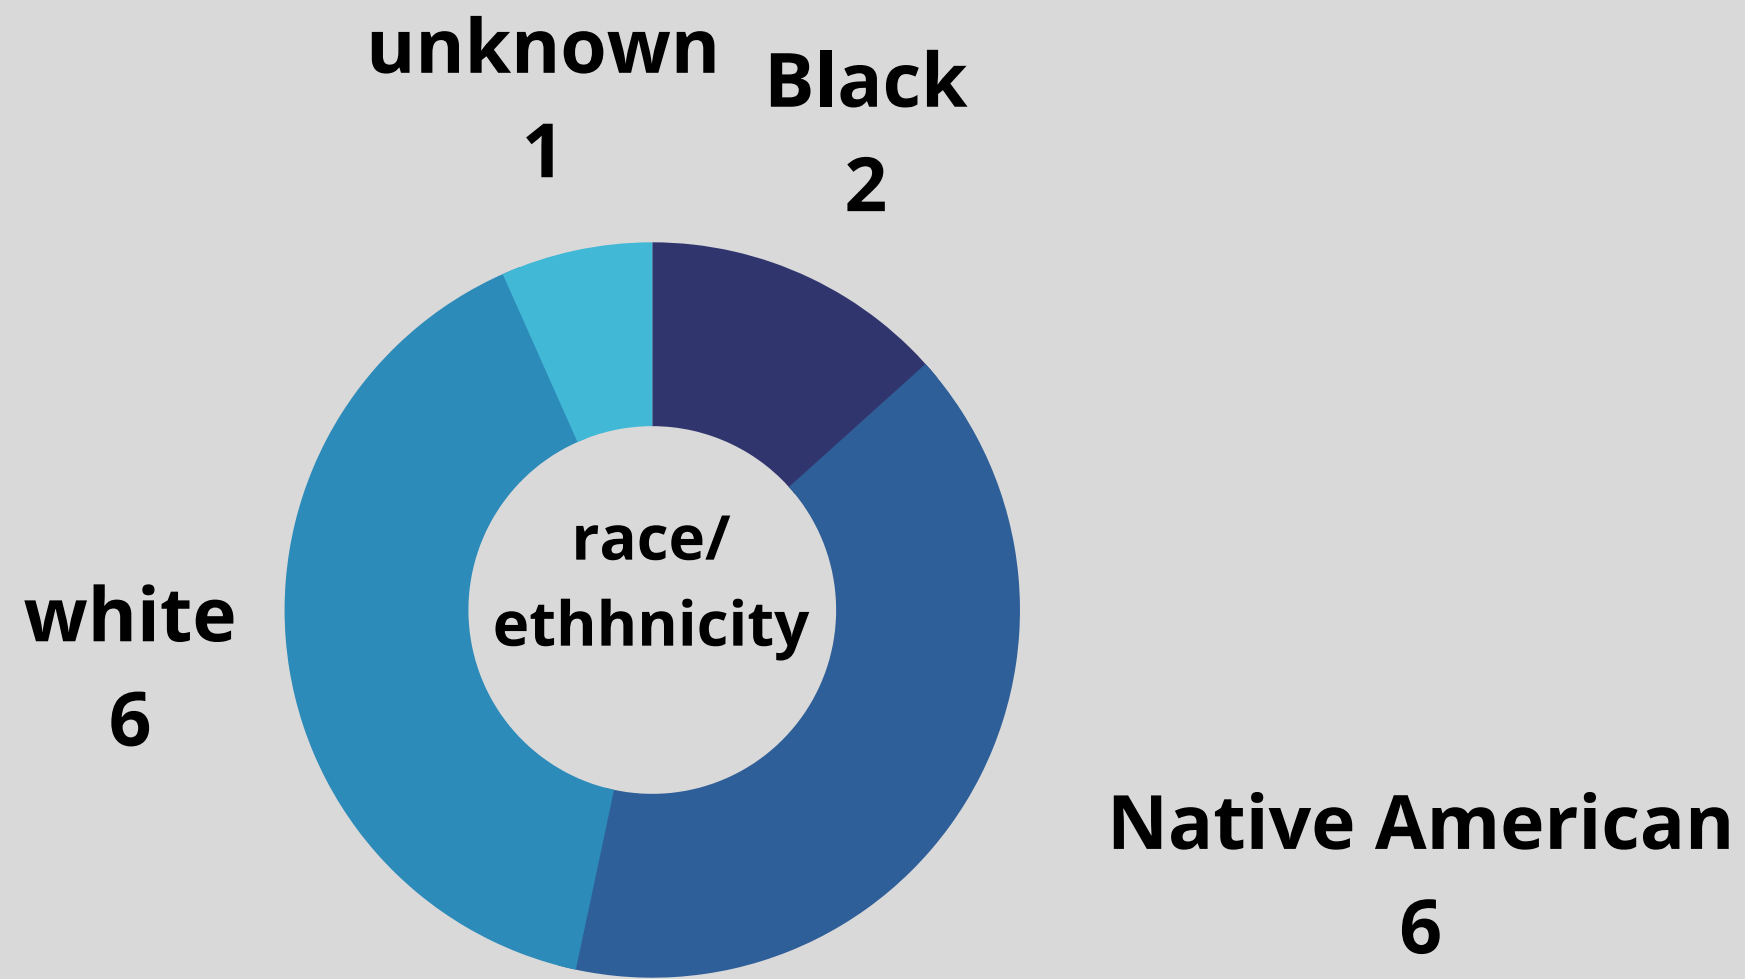

Status of 15 referred individuals

- There have been 15 referrals from November 2021 through October 17th, 2022
- **Inactive status:** an enrolled client, but who is unreachable after 2 weeks of attempted contact. The case manager does not have to spend time on outreach for that client until they become active/reachable again
- **Pending:** case manager is working to complete enrollment paperwork - is expected to become enrolled
