RE: Line Item Transfer for EDA Grant 08-69-05464

Dear Mr. Ogungbamigbe:

This correspondence shall serve as notification of a line item transfer for EDA grant 08-69-05464 in the amount of \$67,000 from the Professional Services to Personnel line item.

The recent grant extension has created a need for additional personnel resources and the transfer will allow for the successful implementation of the remaining components for this important project.

If you have any questions regarding this communication, please contact Maryann Ustick, Gallup City Manager, at (505) 863-1221.

Sincerely,

Louie Bonaguidi, Mayor
