El Morro Events Center 210 South Second Street, Gallup NM

Professional Ethics

April 30th, 2019
6 CEU's

Participants attending Professional Ethics will learn the definition of a professional, ethical decision-making models, purpose of the ethical board, and the phenomenon of the transference.

Cultural Competency

May 15th, 2019
6 CEU's

New Mexico has been the confluence of cultural exchange since the time immemorial. This workshop will give participants an opportunity to explore how multiple waves of colonization have impacted issues that affect clients today. Experiential exercises will provide participants with insights into the different layers of culture, privilege and cross-cultural counseling competencies.

Group Therapies

May 23rd, 2019
6 CEU's

Groups can support individual members in times of pain and trouble, and they can help people grow in ways that are healthy and creative. This course assists counselors in enhancing their therapeutic skills with regards to leading groups that are designed to promote recovery from substance abuse.
