

**ADVERTISEMENT FOR BIDS
NORTH SIDE FIRE STATION REPAVING
CITY OF GALLUP**

Formal Bid No. 1917

Notice is hereby given that the City of Gallup, New Mexico will receive sealed bids for construction of CITY OF GALLUP NORTH SIDE FIRE STATION REPAVING until the hour of 2:00 p.m., local time, September 10, 2019 at the office of the Procurement Manager at City Hall, 110 West Aztec Avenue, Gallup, New Mexico. Bids will be opened, read and tabulated at that time. No bids will be received or considered if received after the time stated above.

This project is located at the North Side Fire Station at the intersection of 9th Street and Lincoln Avenue within the City of Gallup, New Mexico. The project consists of removing approximately 875 SY of existing asphalt surface and replacing with a new 12” thick concrete surface. It will include concrete accessories, such as dowels into existing concrete and caulking at expansion joints. Minor curb, gutter and valley gutter shall also be removed and replaced.

An additive alternate is also provided for the west drive entrance to the fire station. This shall consist of removing approximately 230 SY of existing concrete surface and replacing with a new 12” thick concrete surface. It will include concrete accessories such as dowels into existing concrete and caulking at expansion joints.

Plans, Specifications and Bidding Documents may be examined at the office of the Purchasing Director 110 West Aztec, Gallup, NM 87301, (505) 863-1334. Additional information regarding this bid may also be viewed at www.GallupNM.gov/bids.

Plans, Specifications and Bidding Documents may be obtained from DePauli Engineering and Surveying, LLC, 307 S. 4th Street, Gallup, New Mexico 87301, (505) 863-5440, upon deposit of \$250.00, all of which will be refunded upon return of the documents within ten (10) days after bid opening.
